Congratulations and Welcome!

Your CPA Provider Approval System (PAS) application has been reviewed and found to meet the published standards. Your PAS Provider number is CAL133 . Please return the attached invoice.

Your status as an approved CPA PAS provider expires in 5 years providing we receive the annual fee in a timely manner and you remain in compliance with the program standards and administrative expectations. You will be invoiced for the annual fee.

Prior to your expiration date, CPA PAS must receive a complete new application. Please download the most recent version from www.cpaopd.org. Your provider status will not be extended until this new application and the accompanying fee have been reviewed and approved so please plan accordingly.

If you have any questions or concerns, please contact the OPD staff at 1-800-439-4272.

Sincerely yours,
